

***the young company* OVERTURE SUMMER 2009: REGISTRATION FORM**

8:30am – 2:30pm at Stoneham Middle School

Overture students have the opportunity to participate in up to five week-long workshops from July 13th through August 14th. Each workshop culminates in a public performance for friends, family and the members of act 1 and act 2. Each of the five workshops will introduce students to performing arts skills in a safe and creative environment. The weeks are designed to support each other, but not repeat subject matter or material; a student who only attends one week will not feel out of place, but a student who attends all five weeks will work on a variety of skills.
